**Location**

Baku, Azerbaijan

## PROFILE SUMMARY

Skilled Front End Developer proficient in HTML, CSS, JavaScript, TypeScript, React, Next.js, experienced in API integration, Git version control, and tools like Postman and Firebase, excelling in delivering high-quality solutions with strong project management, teamwork, and communication skills.

## PROFESSIONAL EXPERIENCE

### OKmedia

**September 2025 – Present**

#### **Frontend Developer**

At OKmedia, developed and optimized responsive, high-performance websites by converting design mockups into production-ready code. Focused on frontend performance, accessibility, and cross-browser compatibility to deliver fast and user-friendly digital experiences.

### Upwork

**November 2024 – Present**

#### **Frontend Developer (Freelance)**

Collaborated with international clients to convert design mockups into responsive, high-performance websites. Focused on optimizing frontend performance for fast load times and cross-browser compatibility. Maintained clear communication to deliver projects aligned with client expectations and ensured clean, maintainable code.

### EACamp School

#### **Frontend Developer & Mentor**

**July 2024 – November 2024**

As a Frontend Developer and Mentor, I applied my technical skills to real projects while supporting others through knowledge sharing. I introduced structured code reviews to enhance code quality and mentored on effective Git usage, including branching and pull request management. These efforts improved team performance and helped build more scalable frontend applications.

### Star Electronics

**June 2020 - October 2025**

#### **Sales & Procurement Manager**

Managed all sales and procurement operations as the founder of my own business, overseeing sourcing, vendor relations, and contract negotiations while optimizing purchasing for cost efficiency and driving revenue growth through strategic sales.

### Azel-Ish LTD

#### **Accountant (Internship)**

**January 2023 - July 2023**

Completed an accounting internship, gaining hands-on experience in bookkeeping, account reconciliation, and financial reporting. Developed a solid understanding of core accounting principles and supported data analysis for decision-making.

## RECENT PROJECTS

**Lacheen Co**     <https://lacheen-co.vercel.app/>

|   |  |
|---|--|
| <p>Developed a full-stack e-commerce platform enabling users to browse, search, and purchase products. The system features real-time admin notifications for new orders and status updates, improving operational efficiency. Implemented secure authentication and role-based access for admin dashboard to protect sensitive business data. Integrated RESTful APIs to manage products, categories, and orders with seamless frontend-backend communication. Designed with responsive layout and user-centric interface to ensure optimal experience across devices.</p> <p>Key Features:</p> <ul style="list-style-type: none"><li>• Real-time order notifications</li><li>• Role-based admin access</li><li>• Full CRUD operations (products, categories, orders)</li><li>• Responsive design</li></ul> |  |
